SLERF – CHRONOLOGY

SLERF – CHRONOLOGY

VISION

To be an institution of choice in the field of management education for all stakeholders by promoting creativity, innovation, and excellence.

MISSION

M1: To nurture students towards dynamic management professionals through excellence in management education and practice.

M2: To inculcate students with ethical values, attitudes, and human approach to become leaders and exemplary citizens.

M3: To engage in high quality research and consultancy in collaboration with institutions and industries.

PEO STATEMENTS (PROGRAM EDUCATIONAL OBJECTIVES)

PEO1: To develop individuals to accomplish managerial and or leadership positions in their chosen fields.

PEO2: To foster critical thinking abilities towards data-based decision making in identifying and solving real-life critical business challenges.

PEO3: To prepare professional managers for the dynamic environment to solve and manage social and economic challenges.

MANAGING TRUSTEE'S MESSAGE

Som Lalit, the leading management institute of Gujarat since more than 25 years has always focused on outcome-based education for its students leading to holistic growth. At SLIMS, dreams are nurtured, ambitions are ignited, and achievements become milestones in an extraordinary journey. We believe in transforming potential into limitless possibilities. Our guiding philosophy, "Igniting Ambition, Inspiring Achievement," encapsulates the very essence of our commitment to excellence for all our stakeholders.

Since 1996, SLIMS has fostered a culture of excellence by providing resources, celebrating achievements, promoting collaboration with the Industry and supporting research among all its stakeholders. This culture works as a catalyst for igniting ambition and inspiring achievement among students as well as faculties. The proactive approach creates an environment where individuals are empowered to dream big, work hard, and surpass their own expectations, ultimately contributing to the overall success and reputation holistically.

Our team of experienced faculties, mentors and industry experts serve as guides and motivators, helping students navigate the complex landscape of their chosen field. Apart from the vigorous academic curriculum prescribed by the university, our students are involved in live projects, additional academic and non-academic workshops, industry expert sessions, cultural activities, CSR activities ensuring holistic development.

Through personalized mentoring via our faculties, and exposure to cutting-edge technologies and industry practices, we stoke the flames of ambition in our students. We provide them with the tools, knowledge, and confidence needed to dream bigger and reach higher than ever before.

With the strength of more than 4000+ alumnus of SLIMS who are pursuing their dream career in geographies across the globe in diverse industries and sectors, we present the 26th batch that are ready to their first step in the corporate world.

We would like to say that we seek co-operation of all concerned to join hands in the cause of professional management education.

Pragnesh K Shastri

Managing Director
SLERF-Ahmedabad

FROM THE DESK OF DIRECTOR

It is with great pride and enthusiasm that I introduce the 26th batch of our management institute. This year again as we embark on a journey of connecting our talented students with opportunities, this brochure serves as a testament to our unwavering commitment to mutual growth and success.

In today's dynamic and competitive business landscape, the pursuit of excellence is not just an aspiration but a necessity. At SLIMS, we have long recognized the significance of preparing our students for the challenges and opportunities that lie ahead while igniting ambition and inspiring achievement. Our holistic approach to education goes beyond textbooks and classrooms; it's about fostering critical thinking, nurturing leadership potential, and honing real-world skills that are essential for success.

Our esteemed faculty members, who are not only educators but also mentors, have played a pivotal role in shaping our students into well-rounded individuals. Our innovative teaching pedagogy of flipped classrooms, role plays, reverse engineering, case studies, practical examples, connect with industry experts as well alumni among others provides holistic exposure to our students.

The four to five week intensive internship training in the corporate world gives an insight into the real world. The live projects round the semester allow the student to be industry ready. The faculties mentor each student during the trainings to ensure that the learning curve is always on the rise for the students

The institute has worked on the philosophy of being for the students, by the students and of the students. Most of the endeavors, taken by the institute like conducting Horizon – a yearly event on Management seminars, Spectrum – Inter College student management games, Sports days, Management quizzes, Seminars, Workshops, Cultural events, CSR activities are completely handled by the students with minimal faculty guidance. The brochure that our students have created showcases their batch and its achievement for your kind consideration. I extend my best wishes to all our students who are gearing up for placements. We thank you and appreciate your support extended to us. We look forward to your august presence at our institute.

Dr. Neha Patel

Director

CORE FACULTY

Dr. Neha Patel
Director and Professor
B.Sc., P.G.D.C.A.,
M.B.A. University of Memphis, U.S.A
PhD (Marketing)
Area: Marketing
Experience: 30 years

Dr. Supriya Bhutiani
Addl Director, Ass. Dean, Zone I, GTU
Associate Professor
B.Sc., M.B.A., M.S. University
PhD (Marketing)
Area: Marketing
Experience: 30 years

Mr. Rakesh Shastri
Assistant Professor
B.E. (Civil), PGDM
Area: Finance
Experience: 34 years

Dr. Reshmi Menon
Associate Professor
B.E (Mechanical), M.B.A.,

MBA, MA (Psychology) Counselling
Therapist, NHCA Singapore
Experience: 18+ Years

Dr. Rachita Jaiswal
MBA (Marketing),
Ph.D (Management)
Experience: 18 years

Mr. Dharmendra Khairajani
Ph.D (Pursuing), M.B.A in
finance and International
Business Operation
Experience: 13 Years

Ms. Rebecca Sudan
Corporate and Academic Trainer
Experience: 10+years

CONSULTANCY AND RESEARCH DONE BY FACULTIES

SLIMS faculty are engaged in multiple industry research and consultancy projects by offering their expertise to businesses seeking strategic guidance. These projects would involve faculty members conducting a comprehensive analysis of the company's operations, identifying areas for improvement, and recommending tailored solutions. They would collaborate closely with company executives to implement strategies and monitor progress. The faculty's industry knowledge and academic insights can provide valuable perspectives and help organizations achieve sustainable growth and efficiency gains, while also enriching the faculty's understanding of real-world business challenges.

THE PEDAGOGY

The teaching methodology emphasizes interactive and participative learning through lectures, case studies, role plays, class presentations and simulation exercises. This necessarily entails extensive background reading and pre-class preparation. Eminent personalities from the industry are also invited to deliver lectures on different contemporary issues. Emphasis is also laid on teamwork through group exercises and group presentations.

EVALUATION SYSTEM

The Institute believes in continual evaluation and feedback. It is a measure of performance and means for motivation. Evaluation is done through assignments, case analysis, quizzes, projects, class participation and two examinations every semester - a mid semester and an end semester exam.

Evaluation in MBA Programme is governed by guidelines and rules prescribed by Gujarat Technological University. The Letter grades range from AA to FF and a student who has failed in a course is given grade FF.

LEARNING ENVIRONMENT

- Campus at prime locality and with ease of transportation from every corner of the city.
- Experienced and supportive faculties for the all-round development of Students.
- Interactive classroom sessions with audio visual presentations including smart board.
- Well-designed auditorium with capacity of 150 equipped with newer teaching technologies.
- Enriching sessions with student alumni and other business leaders
- Equal emphasis laid on extra-curricular activities and sports.
- Library with vast storage of books of renowned authors of Management and other streams
- Well-guarded campus with Security Guards and 24X7 CCTV Surveillance.

SOM-LALIT ALUMNI ASSOCIATION - SLAA

Since its inception in 1996, our 4000+ students of SLERF -Som Lalit Institute of Business Management and Som Lalit Institute of Management Studies situated in diverse geographies of the world and working in different industries have one thing in common – they all have made us proud by being successful in whatever they have endeavored. We firmly believe that the success of the institute also depends on the success of its alumni. To strengthen the bond of the institute with the alumni, SLERF has tied up with AlmaShines- a renowned firm that has interacted with more than 250 Colleges from all tiers to strengthen the institute –alumni network by leveraging technology through the AlmaShines Alumni Portal. The Alumni portal would help our students to stay connected with batch/college mates and the institute.

STUDENTS LIVE PROJECTS

A live project for management students could involve collaborating with a local business to develop and implement a marketing strategy, conducting market research to identify growth opportunities, analyzing financial data to recommend cost-saving measures, creating a business plan for a startup, or organizing and managing an event to gain practical experience in event management. Such projects provide students with real-world exposure and the opportunity to apply their management skills in a practical setting, enhancing their readiness for future careers in the field.

- Mayank Khandelwal, Pathan Azizur Rehman, Dhaval Thakkar, Darshit Vanpariya and Rachitkumar Patel stood 2nd in Kabbadi competition organized by Som-Lalit Institute of Business Management held in 2022.
- Hiral Patel, Vidhi Thakor, Rachna Rajawat, Charmy Patel, Disha Panchal, Aesha Munshi and Stuti Vyas stood 1st in Kho-Kho (Girls) Competition organized by Som-Lalit Institute of Business Management held in 2022.

STUDENT ACTIVITIES

We at Som-Lalit Institute not only believe in academic excellence, but also do motivate and inspire students to gain practical knowledge to enhance their skills and capabilities. The students have brought many accolades to the institute by participating, with enthusiasm and excitement, in Inter College and Intra college events and activities such as Business Quiz, Summer Internship Project Competition, Digital Marketing and Motivational Workshops etc. They also manage different events held at our campus like Horizon and Spectrum. The institute arranges industrial visit to provide the students practical knowledge of their class-room learnings. Our students are not just the new face of excellence and talent for the country, but they also have brought the eternal new phase of glory to the institute.

Horizon

Horizon, the annual extravaganza of the college, is the conjunction between the corporate world and students. Aiming to take advantage of the strategic synergies, the students come together, with an attempt to bring the cream of the corporate world on a common platform. This is in view of getting an insight into the various theories and practices that these eminent personalities possess. It is a platform to showcase the experience and skill sets that these business stalwarts have acquired over the years. The student body works extremely hard to provide exceptional management events and informative knowledge sharing sessions which cover a wide range of topics such as marketing, finance, strategy and entrepreneurship. Usually conducted in the first week of January, this event draws attention from various corporate houses and students all over the state thus proclaiming its overwhelming success.

Spectrum

True to its name 'Spectrum', an intercollegiate management event, spreads its rays of vibrance by making it pass through a rigorous evaluation procedure under the critical eyes of judges belonging to renowned academic and corporate background. It is a platform for various B-Schools to participate and win accolades through healthy competition. It helps the students in accomplishing the desired standards in the dynamic corporate world. Aiming to tap the hidden potential and awakening the competitive spirit, Spectrum consists of a series of managerial games designed so as to replicate the actual corporate environment. Events like Biz-Quiz, financial and marketing games which test the management concepts are played with fervour and zeal by students of reputed B-Schools.

Panel discussions, Business Quiz, Entrepreneurship Fest, Industrial and Rural visits, Expert lectures, Debate and social initiatives like Blood donation camp and impactful association with old age home people as well as school students etc. are a glimpse of activities conducted by the institute. Along with participating in activities conducted by the Institute, students also represented the institute in various inter college competitions.

STUDENT ACTIVITIES

Events and Activities 2022 - 2023

STUDENT ACTIVITIES

Events and Activities 2022 - 2023

CULTURAL CLUB

The cultural club aims to organise various cultural events which helps students to connect with their cultural values, customs and traditions of our country. The cultural club gives a platform to students where they showcase their talent and they learn self-awareness, teamwork, collaboration, communication which will be helpful to them in moulding their personality. Apart from participating in the cultural events, the students also get experience of organizing and managing the events, and of course, it caters to the creative needs of the students.

FINANCE CLUB

The finance club aims to conduct various activities related to the domain of finance. Its goal is to make students learn from practically applying the various financial concepts learnt in the class. It involves a plethora of activities like Stock market games: creating virtual portfolios using live company prices; role play on activities related fund-raising and investment advising, wealth planning and banking. It also plans for students to visit MSME units to understand the manufacturing process of the unit and financial aspects. Expert lectures from the field of finance and Union Budget discussion and analysis is also an important part of the club.

MARKETING CLUB

The marketing club aims to offer the students a holistic experience of marketing via industry interaction and on campus/off campus activities. It aims to make students come up with creative thinking abilities in solving problems and marketing issues. To make students up-to-date of the current scenario and the happenings around them in the marketing space. It will provide and teach them techniques related to marketing which would help them be industry-ready. It will make students understand the importance of teamwork and make them realize their leadership qualities.

SOCIAL CLUB: THE HELPING HAND

The objective of social club is to support development of the students and motivate them to become socially responsible business leaders. The Club shall work with faculty, students, alumni and companies to promote sustainable society by integration of social values. It shall provide the students a platform to work for a cause. The club shall create an environment wherein the students will embrace responsibilities to serve the society.

ENTREPRENEURSHIP DEVELOPMENT AND ECONOMIC ACTIVITIES CLUB

Club on Entrepreneurship development and Economic Activities (CEDEA) is a club organises various programs for the development of Entrepreneurship among the students and moreover it conducts the Activities related to Economics to inculcate into the students the understanding regarding the micro as well as macro economics.

QUIZ AND DEBATE CLUB

The quest for knowledge is a quintessential part of the management discipline. The Quiz and Debate Club at our institute is an effort to satiate this need of the student fraternity at SLIMS. Quizzes and debates on a wide range of topics including but not confined to general knowledge, the functional areas of marketing and finance, business environment in general etc. are held on a quarterly basis. The Quiz and Debate Club encourages the first year and second year MBA students to actively participate in organizing and conducting quizzes and debates and learn by sharing of knowledge therein.

ANALYTICS CLUB

Business analytics aims to shape the strategy for business through reliable, factual insight rather than intuition. The club aims to facilitate the learning of financial and statistical concepts using software. This will enable students to solve and present research-based problems effectively. The club focuses to conduct different activities for the enhancement of financial knowledge and investment etiquette for students.

MOVIE CLUB

The aim of this club is to discover the learnings in the classes and around with analytical and creative eyes. Currently, movies have become a big part of our lives and this club aims at creating a two-way learning- visual learning along with association of theoretical learnings and leisure learning. This club is dedicated to subject-wide film project presentations, educational movie workshops and is recognized in practical educational learning from various subjects. The purpose of this club is to have interaction and discussion bridging the gaps between shared learning and shared life. The movies screened focuses majorly on managerial skills.

Eminent Personalities who Participated and Shared Their Knowledge and Experience in Past “HORIZONS”:

Vice Chancellor
Gujarat Technological University

Convocation - 2019

SUMMER PLACEMENT

Summer Internship Project (SIP) is an integral part of the academic curriculum of MBA at SLIMS. For the successful completion of the MBA programme, students have to undergo an SIP as per the prescribed format and duration as per the GTU guidelines. Students are required to work with an organization for hands on experience during the semester gap of Semester II and semester III. The students may carry their SIP training at the organization located within the geographical boundary of Gujarat/India/Foreign Country.

OBJECTIVE:

For the students :

- SIP aims at widening the student's perspective by providing an exposure to real life organizational environment and its various functional activities.
- This will enable the students to explore an industry/organization, build a relationship with a prospective employer, or simply hone their skills in a familiar field. SIP aims at widening the student's perspective by providing an exposure to real life organizational environment and its various functional activities.
- SIP also provides valuable knowledge and networking experience to the students. During the internship, the student has the chance to put whatever he/she learned in the first year of MBA into practice while working on a business plan or trying out a new industry, job function or organization.

For the organization :

- The organization, in turn, benefits from the objective and unbiased perspective the student provides based on concepts and skills imbibed in the first year at the institute.
- An additional benefit that organizations may derive is the unique opportunity to evaluate the student from a long-term perspective. Thus the SIP may become a gateway for final placement of the students.

Placement Procedure for Summer Trainees:

An organization can indicate their interest in providing summer training to the students of SLIMS through written or verbal correspondence. It may indicate the details of a specific project, if any, and/or general nature of summer project alongwith the profile of students required. The institute will send resumes of interested students, who qualify to meet the needs of the organization. The organization can make a selection based on the resumes. Organizations are welcome to the institute for the selection process or can invite students to their offices for the selection procedure. The organization is expected to communicate to the institute about the selected student and the details of the project to be undertaken by the student. The organization may pay a stipend to the trainee and/or reinforce the expenses incurred for the purpose of the project, as per the rules of the organization.
